

Bester & Co. a rapidly growing international business performance improvement company is looking for high energy talent to be a part of our growth journey.

We are pleased to recruit our 2nd batch of #Ready4Work development program. In this **12 months paid development program**, Bester & Co. Senior Enablers will develop your talents through various active projects across many industries. On successfully completing the #Ready4Work program, you will be offered a permanent job as Bester & Co. Enabler.

To be considered as a #Ready4Work candidate you need to be:

1. A recent graduate or a professional with a maximum work experience of 2 years.
2. A graduate or post graduate from engineering, science, IT, finance or accounting.
3. Highly energetic, communicative and fluent in Indonesian & English languages. Fluency in any other language will be valued.
4. Able to articulate your thoughts concisely and effectively to achieve common objectives.
5. Savvy in Microsoft Office especially Excel & PowerPoint. Some programming experience will be highly valued.
6. Analytical, love reading professional/business journals & books and savvy with data.
7. Able to work fast, love to develop new skills & knowledge and love to solve problems creatively & effectively.
8. Able to work independently with minimum direction, self-reliant, results oriented and can manage multiple deadlines well.

Selected #Ready4Work participants will be paid IDR 9 million gross per month. For more information please click here:
