PERSONAL PROFILE

I am graduated from Bina Nusantara University and Majored International Relations. I am looking for new opportunity to build more careers. I had previously did my internship in one of Government institutions during the internship term. I have been improving not only my writing and communication skill but also the team-work skill, follows by the self-time management. I also assisted to arrange the institution to set up the meeting in such event and others. I have been looking forward to see other chance to develop new skills on wider working area and up for new challenges.
